

**WEERUNS CAR SEAT, BOOSTER SEAT AND TRAVEL SYSTEM
SAFETY VERIFICATION FORM**

One form is required for each car seat consigned. You must be able to answer YES to all questions below to include your car seat in the consignment sale. Your car seat will also be inspected and cleared for sale by a Child Car Seat Safety Technician.

Brand: _____ Model: _____

Year of Manufacture (date on the car seat): _____

	YES	NO
Does the seat have its label with date of manufacture, model name/number and shows that it meets all Federal Motor Vehicle Safety Standards? This information must be completed in the above area.		
Was the car seat manufactured after December 31, 2013?		
Are you the original owner and can confirm the seat has NEVER been involved in an automobile accident?		
Have you checked to see if the seat has been recalled for safety defects? If recalled, have the manufacturer's recall instructions been followed and any defects corrected?		
Is the instruction manual for the car seat included? (*You can order a new one or download one from the manufacturer's website. Be sure to obtain the book for the correct model.)		
Does the seat have all of its parts: harness straps, pad/upholstery, harness retainer clip, tether strap, latch connectors, locking clips, etc.? (Refer to manual to make sure all parts are included.)		
Is the plastic shell or metal frame free from splits, cracks, bends or breaks?		
Are the harness straps free from excessive wear and tear, damage and fraying?		
Is the buckle area free of rust and wear?		
Does the buckle mechanism fasten securely, remain fastened and unfasten smoothly?		

By signing this form, I affirm that all of the above requirements are true.
